Introductions	
Review of Minutes	From January 28, 2020
Discussion	None
Amendments	None
Conclusion	Motion Passed
MEAP Updates	
Discussion	
<ul style="list-style-type: none"> -KCCA: they will be opening MEAP funds on or before Monday. They anticipate that funds will be spent quickly. -Salvation Army: MEAP is still fully funded. Funds are also available for MEAP denials. -Shortfall judgement indicates that DHHS determined that the client did not pay enough towards their payments and are ineligible for SER. -Kent County Senior Millage weatherization funds may be available for seniors between 200-250% FPL 	
Coalition to Keep Michigan Warm Updates	
Discussion	
Today (2/25) is LIHEAP Awareness Day. Representatives from CTKMW are in DC meeting with officials to talk through the importance of LIHEAP funding. LIHEAP was not included in the president’s budget this year, but in past years it has been eliminated and then fully reinstated.	
WMSBF Event Debrief	
Discussion	
Continued review of ideas and suggested action steps from table discussion during the West Michigan Sustainable Business Forum event.	
Data	
Discussion	
Staff will send request to collect points with defined scope. The report should include weatherization data as well as information around programming and impact.	
Suggestion to upload education tools, documents, resources to one central source. By the end of May, the group can set up a time to consolidate resources and discuss next steps.	
Agency Updates	
Discussion	
<p>WMEAC is partnering to do a dinner. More information will be shared with it is available.</p> <p>Walk for Warmth is Saturday at 8:30</p> <p>AAAWM – RideLink open house in March 12, seniors can talk with partners and learn more.</p> <p>FROM – hiring a food coordinator, maintenance coordinator, and a volunteer coordinator.</p> <p>NKC – just hired a new case manager.</p>
